

# How to pay for school meals

Checks and cash are accepted by the school's lunchroom cashier either as a pre-paid deposit to a student's account or for purchasing individual meals, milk or a la carte items. Student meals and other school items may also be paid by using the convenient **InTouch** online payment system.

## Check payments

Please write the student's first and last name in the memo line. Checks should be made payable to Tahoma Food Services.

## Cash payments

Put your cash payment in a sealed envelope.

To ensure that the money is deposited to the correct account, please write the student's first and last name and "lunch money" on the envelope.

## Online payments

**InTouch** will charge a \$2.50 fee per family, rather than per student for online payments, with a 24-hour turnaround for the funds to be applied to the student's account.

## Meal Charging Procedures

If a student does not have sufficient funds to pay for a school meal, Tahoma School District allows the student to charge their meal. A la carte items may not be charged. Parents may set a la Carte limits, and they may transfer funds between school meal accounts of siblings. Parents/guardians are responsible for negative balances on their child's school meal account. Please contact Nutrition Services at [foodservicehelp@tahomasd.us](mailto:foodservicehelp@tahomasd.us) for more information.

## Refunds

A family may request a refund of their student's school meal account by emailing Nutrition Services at [foodservicehelp@tahomasd.us](mailto:foodservicehelp@tahomasd.us). Processing of refunds may take 21-28 days. Cash refunds and credit card returns are not available. Parents may transfer funds between school meal accounts of siblings.
