CHALLENGES

INTRO TO COMPUTER CODING, Grade 5, Mondays and Thursdays, 8:00-9:00 A.M.

Session 1: Oct. 15– Dec. 6

Session 2: Dec. 10 – March 14

Session 3: March 18 – June 6

Is your child persistent when faced with challenging problems? Does your child enjoy solving mental puzzles? Does your child have an interest in computers? If so, this class will be a good fit! Intro to Coding will cover the basics of computer programming. We start off with block coding and then move into Java Script. As the class goes along, the challenge level increases. This is for students who do not give up and look forward to pushing their mental limits. *Betlach – A5*

MATHEMATICS

MATH SUPPORT, GRADE 1

Thursdays, 8:00-9:00 A.M., Oct. 15 – May 20th This class is designed to support students who need extra practice with first grade math concepts. It will review these skills in a small group at a slower pace. We will review the math concepts taught in class using manipulatives, games, literature and technology to help students who need additional support understanding the first grade math skills. If you aren't sure if this class would be right for your child, check with their first grade teacher.

Noonan – B1

ENROLLMENT: Due to the popularity of our zero hour programs, a drawing may be held to determine the enrollment. If more than one session is listed, students register for the class and a random drawing will be held for all available sessions. Students will be notified of their session assignment or in some cases, if they are placed on a waiting list due to over-enrollment.

MUSIC

STEEL DRUMS, Grades 4-5

Mondays, Apr 15-June 3, 8:00-9:00 AM
