A Note from our Nurse:

Dear Eagle Families,

As this school year comes to a close, I wanted to reach out to remind you that, if over the summer break there are any updates/ changes to your child's health that will impact their day at school, please be sure to email RCNurse@TahomaSD.US , so that I may update health files and advise on next steps if applicable. All medications & medical paperwork are due to be delivered to the Health Office NO LATER than 8/28/2024. For any life-threatening diagnosis – it is essential that I have this, if not it may delay your child's ability to be on campus.

Please note that medications should NOT be sent to school with a child. All medications including over the counter products needed during the school day, must have a written order by a Licensed Healthcare Provider. Please read the Parent/Guardian section in the Medications Needed For School link below.

If you need to print any medical forms for next school year, please see the links below.
